Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Tuesday 10 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain spreading east pm Wednesday, brighter later.

This Evening and Tonight:
A few showers at first in Strathspey, but a mostly dry evening and night with some clear spells, and a cooler night than of late. Southerly winds freshening over the Hebrides bringing some rain by morning. Minimum temperature 9 deg C (48 deg F).

Wednesday:
Dry start with some sunshine across East Highland. Cloud and rain on the west coast turning heavier then extending eastwards during afternoon, with sunnier skies returning from the west. Breezy. Maximum temperature 19 deg C (66 deg F).

Outlook for Thursday to Saturday:
Dry, bright start to Thursday, then cloudy, showery weather extending eastwards during the day. Strengthening southerly winds. Sunny intervals on Friday and Saturday with further showers and fresh southwesterly winds.
